Scoring

You will need TWO scorecards (available when you pay in the Pro Shop). A copy of a completed scorecard is posted on the Bulletin Board outside the Pro Shop for your reference.

On ONE Scorecard

- Put your FULL Name & Division along the bottom portion of the card.
- Put your Name under the RED portion on first line on the left side where you will be keeping your score.
- Your Handicap goes in the “second” square in from the right side of the card. You can find your current handicap listed on the bulletin board outside the Pro Shop.
- Trade this filled out card with your “playing partner” – you will keep your partner’s score on their scorecard. They will keep your score on your card.
- Once you agree at the end of the game on the total score, you “attest” your partner’s card (on left “vertical” side of the card) and hand this card in to be recorded.

On the SECOND scorecard:

- You keep your own score on this card so at the end you add up your score to see that it matches what you told your partner to track
- You will take this card home to enter your score into the computer in Golf Canada every time you play to keep your handicap current.

- At the first tee box you will see a Marshal who will check your name on his Draw sheet. **ONLY the Marshal can move members around.**

- To prevent slow play on the course, please keep in mind you must keep up to the group in front of you. The group behind should not be waiting with you at the tee box! The first two golfers to putt out, should move to the next tee.

AFTER THE ROUND:

- When you have finished your game, you and your partner will total and compare your scores. Complete your scorecard by signing it and your partner will sign your card to attest your score (on the left “vertical side”).

- Drop off your scorecard in the correct division bin on a table located outside across from the Pro Shop

- IMPORTANT:** Remember to **post your score HOLE-BY-HOLE on the GOLF CANADA website!** Take note of any changes to your handicap and make the change on our Country Meadows Ladies website.

- Record Birdies, Chip-Ins and HOLE-IN-ONE in binder located on outside table.
